

# Sponsorship

The Children's HopeChest Sponsorship Program is unique.

Not only are you sponsoring an individual child, but your community, whether it's your church or a group of like-minded people, is connected with an entire developing community. (We call it a CarePoint).

This **Community-to-Community Partnership** begins with child sponsorship and quickly blossoms into a relationship that engages the entire CarePoint community. Partner communities are encouraged to take regular trips to their CarePoint and to raise funds for projects. Both communities benefit from the meaningful, long-term relationship.

## The goal?

Sustainable Transformation. Through partnerships between two communities, we're working to see entire villages and CarePoints break the cycle of poverty and thrive on their own.

# Frequently Asked Questions

## What is a HopeChest Sponsor?

A sponsor is a caring person who commits to financially supporting and building a relationship with a child from a specific CarePoint. In some cases, sponsorship can extend past school age into vocational school or college. Sponsors offer encouragement through prayer, letter writing, and relationship.

## How much does it cost to sponsor a child?

\$38 monthly, \$114 quarterly, or \$456 annually

## How does my sponsored child benefit from sponsorship?

Your sponsorship provides many benefits that include:

- Direct assistance for emotional, environmental, educational, and medical needs.
- Letter writing between child and sponsor. This includes translation and delivery.
- Discipleship classes providing opportunities for a believer to share Christ through word and deed.

## How long does my sponsorship last?

Ideally, we ask that you stay with your child as long as they are at the CarePoint. However, this may not be possible in all cases, so we ask for a one year commitment as a minimum.

## Can I contribute by credit card or debit card?

Our preference is for sponsorship payments to be made online through credit card, debit card, or Bank Account Withdrawal. Visit [www.hopechest.org](http://www.hopechest.org) and click DONATE. We also accept checks through US mail.

## Where do I mail my check?

Children's HopeChest  
P.O. Box 1190  
Palmer Lake, CO 80133  
(Please write your sponsored child's name and reference number on the memo line of the check.)

## Where do my sponsorship dollars go?

### Child Survival - 50%

This includes food, water, clothing, education, and basic medical care.

### Program Delivery - 30%

This includes resources for programming, field ministry staff, Christian discipleship, and US program staff.

### Admin/Fundraising - 20%

This includes administration, fundraising, donor reporting, and accounting.

## Are there guidelines for letter writing?

Information about your sponsorship, letter writing, and gift giving will be sent to you after HopeChest receives your first payment.

## Where do I get more information?

Visit our website: [www.hopechest.org](http://www.hopechest.org) or call us at 800.648.9575  
Get up-to-date information by visiting your CarePoint's Community Page.
